MEMORANDUM

TO: Governor M. Michael Rounds and State Legislators
FROM: Jane Rasmussen, Sisseton, South Dakota Arts Council Chair
Dennis Holub, Pierre, South Dakota Arts Council Director
RE: Annual Report Fiscal Year 2008, July 1, 2007 – June 30, 2008

It is a pleasure to submit the FY 2008 South Dakota Arts Council Annual Report to the Governor and Legislature. The State Arts Council's FY 2008 co-sponsored activities reached an audience of 2.9 million people, with 18,322 artists participating in 8,608 separate events. The 530 grants awarded were supported with funds from the State of South Dakota and the National Endowment for the Arts, a federal agency. Fiscal Year 2008 grant funds of \$965,057 generated \$13.7 million in local cash matching funds. These statistics demonstrate that South Dakotans enjoy participating in the arts.

The mission of the South Dakota Arts Council, a state agency within the Department of Tourism and State Development, is to make quality arts programs accessible throughout the state. We accomplish our mission by providing funding, services and information to artists, arts organizations, other non-profit groups, schools and the public. The State Arts Council strives to ensure access to the arts and educational arts opportunities as part of life-long learning in South Dakota.

As you browse through this annual report, we are confident that you will discover the diverse impact South Dakota Arts Council support has on our state's quality of life and education for both young people and adults. The activities in this annual report enhance South Dakota's economic development and cultural tourism. With your future support, we will continue to advance the arts throughout the state.

Your funding of the arts in South Dakota is truly appreciated. Thank you!

AGENCY MISSION

The South Dakota Arts Council is a state agency serving South Dakotans and their communities through the arts.

AGENCY PURPOSE

Recognizing the importance of creativity in the lives of all South Dakotans, the Council makes quality arts accessible throughout the state by providing grants, services and information to artists, arts organizations, other non-profit groups, schools, and the public.

PUBLIC VALUES

We believe that access to the arts by all South Dakotans is intrinsic to the well-being of our communities and the state. The arts play an essential role in tourism and economic development. Arts education stimulates creativity, communication, and life-long learning. Strong arts organizations contribute to vibrant, progressive communities. Finally, artists enhance the state's quality of life and require an environment which nurtures and sustains their work.

Long Range Goals

ENHANCE QUALITY OF LIFE
& ECONOMIC DEVELOPMENT
THROUGH THE ARTS

The arts inspire creativity, celebrate traditions, help reconcile differences, provide recreation, enhance tourism and contribute to the economic development of whole communities. The Arts Council encourages and supports the efforts of South Dakota artists and arts organizations to enhance community livability.

PROMOTE PUBLIC AWARENESS
& SUPPORT OF THE ARTS

The Council believes greater awareness of the arts influences sustained support. In the public interest, programs and services of the Arts Council are designed to inform and educate people about the value of the arts for the well-being of South Dakotans.

ADVANCE THE ARTS AS
ESSENTIAL TO EDUCATION
& LIFE LONG-LEARNING

Understanding that the arts are basic to a good education, the Arts Council seeks to integrate the arts in education by supporting planning, curriculum development and teacher training. All children should experience the arts in their schools, consistent with established state fine arts content standards. In addition, the arts should be an integral part of life-long learning.

STRENGTHEN ARTS
ORGANIZATIONS

South Dakota needs strong and effective cultural organizations to connect the people and communities of the state with artists and arts programs. The Arts Council provides funds, information and services to encourage both large and small organizations to strive for excellence and further South Dakota Arts Council goals. Together with South Dakota artists, these organizations contribute to their communities.

ENCOURAGE & SUPPORT ARTISTS

Recognizing that artists are central to the creative environment of South Dakota, the Council provides funding, information and services to artists for their artistic and professional growth. The Council values artists of all disciplines and cultures, amateur and professional, rural and urban, those who innovate and those who maintain the traditional arts.

ENSURE ACCESSIBILITY
TO THE ARTS

The Council seeks to minimize and eliminate barriers to the arts imposed by economic status, education, prejudice, distance or special needs. In all Council-funded programs and services, accessibility to all South Dakotans is paramount.
